PROGRAM CURRICULUM

SCRUM PROCESS

Iterative development through short, time-boxed cycles called sprints, with regular inspection and adaptation to achieve project goals.

WHO CAN DO THIS COURSE ?

This Scrum Master course is designed for professionals and aspiring leaders looking to master Agile project management and Scrum practices. It is ideal for project managers, team leaders, software developers, and business analysts seeking to enhance their skills in Agile frameworks. Fresh graduates and non-IT professionals can use this course to transition into Agile roles, while entrepreneurs can learn to implement Scrum for efficient team management and product delivery. The course covers key topics like Scrum principles, roles, events, and artifacts, preparing participants for real-world applications and certifications like CSM or PSM. By the end, learners will be equipped to lead and collaborate in Agile environments effectively.

WHAT YOU GET ?

- 3 months training on Scrum Master
- Placement starts after 3 months
- 90 hrs of learning | Completely **LIVE**
- 100% Guaranteed placement after program completion
- projects + Capstone projects
- Flexible curriculum + Lifetime access + Certificate

Scrum Master

Nexus is one of its kind Institute which not only equips you in technology skills but will train you for free in Aptitude skills, Soft Skills, Mock Interviews, Interview Skills, Work ethics and Corporate Values that you need to know to get into IT Industry. Our training is given by expert real time development experienced trainers and we enable each and every student of ours to do their own real time projects by the end of the program. We do not buy you a job by bribing companies to secure a place in IT, instead we equip you with the skills needed to get employed in IT and will support you with unlimited number of relevant interview opportunities so that your career in IT becomes assured. Our support will be there until you get placed in an IT Company as that's our mission too. If you want to just have an IT certification, you can do your course anywhere. If you aspire to get into an IT Job, then you should choose Nexus. With Nexus, your IT dream will definitely come into reality. Please go through the long list of our student reviews.
